The navigation menu includes "Home", "Help", "ABHISHEK", and "Menu". The main content area is titled "EVENTS" and contains a "Dashboard", "Menu Settings", "Alerts", "Events", and "Reports" sub-menu. On the left, there is an "Events List" table with columns for "Event" and "Date". On the right, there is a form for adding an event with the following fields: "Event Date", "Expiry Date", "Event Title" (with a "Title" placeholder), and "Event Description" (with a "Type here..." placeholder). A blue "Save Event" button is located at the bottom of the form. The Windows taskbar at the bottom shows the time as 10:25 and the language as ENG.

## Events

Events master can be defined by admin. Any events created will have its own expiry, later it wont displayed.
